### **Veteran Breeder**

To be awarded a Veteran Breeder pin, a person must have bred and registered or been involved in the breeding and registration of at least one Holstein animal per year for 30, 40, or 50 years determined by the birthdate of the animal. This person must have been a member or be recorded as a signing authority for a membership.

Albert and Rita Bysterveld (ALITA) became involved with our Association in 1987. They have accumulated 30 years as members and as breeders; which qualifies them each for a 30 Year Veteran Breeder pin.

Wilf Van Laar (ASPENWAY) became involved with our Association in 1987. He has accumulated 30 years as a member and as a breeder; which qualifies him for a 30 Year Veteran Breeder pin.

H. Kampjes (HJAY) became involved with our Association in 1977. He has accumulated 40 years as a member and as a breeder; which qualifies him for a 40 Year Veteran Breeder pin.

Richard Lavoie (NOVUM) became involved with our Association in 1977. He has accumulated 40 years as a member and as a breeder; which qualifies him for a 40 Year Veteran Breeder pin.
